HEALTHY HEMP PET COMPANY RELEASES NEW EQUINE PRODUCT
Equine CannaDrops

Salt Lake City, UT: [Healthy Hemp Pet Company](http://www.healthyhemppet.com), an industry leader in all-natural pet products using PRC-hemp oil, has released a new product specifically for equine use. Initial testing and benefit tracking have shown remarkable results for Equine CannaDrops.

“We are thrilled to now offer an equine product with natural ingredients that we know works” said Founder and CEO Dave Merrell. As part of their commitment to provide high-quality, natural ingredients all Healthy Hemp Pet Company products contains USDA certified organic full-spectrum hemp oil grown in Colorado, using vapor distillation to maintain 100% chemical free hemp oil.

Equine CannaDrops also contains coconut oil. There are numerous antioxidants in coconut oil, which fight harmful free radicals in your animal’s body.

To date, reported benefits for PRC-hemp oil and coconut oil are:

- PCR-hemp oil may help with occasional stiffness.
- PCR-hemp oil may help with movement ease.
- PCR-hemp oil may help with trailer anxiety and to calm nerves.
- Coconut oil may improve immunity.
- Coconut oil may alleviate digestive disorders.
- Coconut oil may heal wounds faster.

Equine CannaDrops contains 1600mg PCR-hemp oil. This product is available now and can be purchased online at www.healthyhemppet.com/equine, or in select pet retail shops.
