

IMMUNE SUPPORTER CannaCrush

Healthy Hemp Pet CannaCrush Immune Supporter™ offers animal owners and clinicians another method to treat animals holistically and enhance their immune response. This product combines our three premium ingredients: USDA Certified Organic PCR hemp oil, USDA Certified Organic Turkey Tail Mushroom, and New Zealand Green-lipped mussels. These natural ingredients may help pets with a variety of health conditions such as movement and joint concerns, and immunity issues including cancer. CannaCrush Immune Supporter™ is produced in small batches made in the hills overlooking the Salt Lake Valley. Each tin contains 160 mg of USDA certified organic PCR hemp oil, 32000 mg USDA certified organic turkey tail mushroom concentrate, and 32000 mg of New Zealand green-lipped mussels.

RECOMMENDED USE

Use ½ teaspoon per 10 pounds of animal weight. (½ teaspoon contains 1 mg of PCR hemp oil, 200 mg of turkey tail mushroom extract, and 200 mg green-lipped mussels.)

Use once daily as needed, or as directed by your veterinarian.

DESCRIPTION

Like all Healthy Hemp Pet Company products, CannaCrush Immune Supporter™, contains no chemicals, no gluten, no fillers, no fragrance and are cruelty-free.

Contains these natural active ingredients: USDA Certified Organic PCR hemp oil, USDA Certified Organic turkey tail mushroom concentrate, and New Zealand green-lipped mussels.

Contains these natural in-active ingredients: salmon oil, ground chickpeas, sweet potato, ascorbic acid, garlic, and tapioca.

WHAT MAKES US DIFFERENT?

PREMIUM INGREDIENTS

We proudly use USDA certified organic full-spectrum hemp oil grown in Colorado, using the latest in vapor distillation to maintain chemical free hemp oil.

Our premium ingredients are USA sourced, with the exception of green-lipped mussels from New Zealand and USDA organic full-flower turkey tail mushrooms from Canada. Both are sourced elsewhere to maintain the highest quality possible.

Our formulas are grain-free without gluten, solvents, pesticides, soy, fragrances, dyes, or additives.

SMALL BATCH BUSINESS

Established 2014. In this young industry, there aren't many companies that have been doing this as long as we have. We are invested in providing excellent customer service! You can get a hold of us at woofwoof@HealthyHempPet.com

We know that hemp has intense cultural and political stigma, and we're proud to work towards educating pet owners about its benefits and doing our part to help further the science supporting it.

We offer personal sales training to support our retail stores.

All products are made in USA.

INDUSTRY EXPERTS

Proud members of the National Animal Supplement Council, an industry working tirelessly to help regulate the pet health market.

Our products are formulated under the direction of veterinarians.
