

# IMMUNE SUPPORTER CannaDrops

Healthy Hemp Pet CannaDrops™ Immune Supporter offers animal owners and clinicians another method to treat animals holistically. This product comes with the added feature of Turkey Tail Mushroom, for a powerhouse formulation which may help pets with a variety of health conditions including cancer. CannaDrops Immune Supporter is produced in small batches made in the hills overlooking the Salt Lake Valley. Each bottle contains 600 mg of USDA certified organic PCR hemp oil and 3000 mg USDA certified organic turkey tail mushroom concentrate.

## RECOMMENDED USE

Shake well before use to ensure mushroom extract powder is mixed well with the oil. Use 1 mg of PCR, phytocannabinoid-rich, hemp oil per 10 pounds of animal weight. (2 drops contain 1 mg of PCR hemp oil and 5 mg of turkey tail mushroom extract) Use once or twice daily as needed, or as directed by your veterinarian.

## DESCRIPTION

Like all Healthy Hemp Pet Company products, CannaDrops Immune Supporter contains no chemicals, no gluten, no fillers, no fragrance and are cruelty-free. Just three natural ingredients: USDA organic turkey tail mushroom, USDA organic PCR hemp oil, and coconut oil, with no inactive ingredients.

# WHAT MAKES US DIFFERENT?

## PREMIUM INGREDIENTS

We proudly use USDA certified organic full-spectrum hemp oil grown in Colorado, using the latest in vapor distillation to maintain chemical free hemp oil.

Our premium ingredients are USA sourced, with the exception of green-lipped mussels from New Zealand and USDA organic full-flower turkey tail mushrooms from Canada. Both are sourced elsewhere to maintain the highest quality possible.

Our formulas are grain-free without gluten, solvents, pesticides, soy, fragrances, dyes, or additives.

## SMALL BATCH BUSINESS

Established 2014. In this young industry, there aren't many companies that have been doing this as long as we have. We are invested in providing excellent customer service! You can get a hold of us at [woofwoof@HealthyHempPet.com](mailto:woofwoof@HealthyHempPet.com)

We know that hemp has intense cultural and political stigma, and we're proud to work towards educating pet owners about its benefits and doing our part to help further the science supporting it.

We offer personal sales training to support our retail stores.

All products are made in USA.

## INDUSTRY EXPERTS

Proud members of the National Animal Supplement Council, an industry working tirelessly to help regulate the pet health market.

Our products are formulated under the direction of veterinarians.
