HEALTHY HEMP PET COMPANY RELEASES NEW PRODUCT: CannaKit™

Salt Lake City, UT: Healthy Hemp Pet Company, the industry leader in all-natural hemp pet products has launched a new hemp product. CannaKit™ is a starter hemp kit that contains sample sizes of three of the most popular hemp products: CannaNatural™, CannaDrops™, and CannaBalm™.

“Our CannaKit is perfect for first-time buyers and makes a great gift for any pet lover,” said Dave Merrell, CEO of Healthy Hemp Pet Company. “The trial sizes make it easy to determine which product works best for your pet’s needs at a lower cost than buying these products in full-size quantities.”

To date, reported benefits are:

- PCR-hemp oil may help with anxiety in pets.
- PCR-hemp oil may reduce aches and pain in pets.
- PCR-hemp oil may help with occasional stiffness in pets.
- PCR-hemp oil may help with movement ease for pets.
- Green-lipped mussels has been shown beneficial in treating degenerative joint disease in animals.
- Green-lipped mussels may help to support healthy joint function, reduce joint tenderness, stiffness and improve pain in animals.

Each CannaKit contains: a 1-oz bag of CannaNatural (ten biscuits), a .25 oz tin of CannaBalm, and two 5ML bottles of CannaDrops (one salmon and one coconut). The amount of PCR-hemp oil per product can be found on the website or packaging.

The CannaKit is available now and can be purchased online at www.healthyhemppet.com/cannakit or in select pet retail shops. For more information about these products, to request an interview or media sample, please contact Dave Merrell at dave@healthyhemppet.com or (801) 935-4586.
