REFERRAL PROGRAM

[www.HealthyHempPet.com](http://www.HealthyHempPet.com)

## WHAT OUR PROGRAM IS

As a leader in the pet hemp supplement space Healthy Hemp Pet Company recognizes the need for veterinary professionals to easily provide patients with a myriad of treatment options. We also recognize that stocking every hemp product available may be too costly and take up valuable clinic space. For these reasons, we'd like to present our Veterinary Referral Program. This program is aimed at providing veterinarians the ability to recommend Healthy Hemp Pet Company's products as a wholesaler, without the need to physically stock them.

## HOW OUR PROGRAM WORKS

It's really just a couple of clicks away. Visit [HealthyHempPet.com/register](https://HealthyHempPet.com/register) to sign up. Follow the steps to get registered. Next, send an email to [woofwoof@healthyhempet.com](mailto:woofwoof@healthyhempet.com) with the subject line "HHPC Veterinary Referral Program." Within 1-2 business days, we'll respond with a discount code to provide your clients, along with print files for product info and dosing info. The code gives your clients a 5% discount for all hemp products. At the end of each month, we'll send you a check for 25% of all sales generated from your unique code. Once you are registered, you also have the option of ordering and stocking any product at wholesale pricing of 40% off retail.

## HOW OUR PROGRAM WORKS FOR YOUR PATIENTS

Once you've helped your patient decide which hemp product is best for their pet, they can visit our shop page to order: [HealthyHempPet.com/shop](https://HealthyHempPet.com/shop). At checkout they need to enter the code we provided to receive 5% off their order. That's it!

## WHAT MAKES US DIFFERENT

- We proudly use organic full-spectrum hemp oil grown in Colorado, using the latest in vapor distillation to maintain a chemical free hemp oil.
- Our hemp products are formulated under the direction of veterinarians, and are grain-free without gluten, solvents, pesticides, soy, fragrances, dyes, or additives.
- We are proud members of the National Animal Supplement Council, an industry working tirelessly to help regulate the pet health market.
- We are a full-disclosure company, with Certificates of Analysis available online.
