WHAT MAKES US DIFFERENT?

PREMIUM INGREDIENTS

We proudly use organic full-spectrum hemp grown in Colorado, using the latest in vapor distillation to maintain chemical free hemp oil.

Our premium ingredients are USA sourced, with the exception of green-lipped mussels from New Zealand and USDA organic full-flower mushrooms from Canada. Both are sourced elsewhere to maintain the highest quality possible.

Our formulas are grain-free without gluten, solvents, pesticides, soy, fragrances, dyes, or any other additives.
